*** Notes applicable to table 1:**

Candidates successfully completing the First Aid at Work and Emergency First Aid at Work courses will receive First Response First Aid certification as proof of competence valid for 3 years. These courses are delivered; evaluated and quality assured to meet the new guidelines set out by the HSE in October 2013 and meets the requirements of The Health and Safety (First Aid) Regulations 1981.

Candidates successfully completing the 2 day Paediatric First Aid course will receive First Response First Aid certification as proof of competence valid for 3 years. This course meets Ofsted requirements and the requirements of the Early Years foundation stage statutory framework.

In addition to our own qualifications First Response First Aid Ltd are also an approved training centre to deliver Ofqual regulated first-aid qualifications. Although it is not mandatory should you require certification via this route i.e. CIEH etc. additional costs per person as shown below will apply.

- Level 2 +£5 per person
- Level 3 +£10 per person

Please contact us if you require any further clarification regarding certification.

All prices shown are exclusive of VAT and relate to courses within approximately a 60 mile radius of Walsall, West Midlands. Should you require courses to be conducted outside of this radius or courses to be split over more sessions than those stated please do not hesitate in contacting us. If parking is not made available on site additional costs will apply.
